

Llangynidr needs YOU to be a Community Councillor.

Just over 1000 of us live in Llangynidr, one of the most beautiful settings in the Brecon Beacons. Even here there are issues that need attention and guidance:

Issues that Llangynidr Community Council gets involved with are planning, highways, rights of way issues, supporting and improving local services, liaising with the Police about local problems, liaising with the County Councillor, looking after the Community Council's assets, such as the river-path and the public toilets and more, supporting local charities and young people in their interests. Throughout these activities Councillors talk to residents, gathering their views, the views of other councillors and experts to find a way forward. There is a lot of talking! But motivated and energetic councillors are needed for action too.

Do you love the village? You may want to protect what's good or introduce change for the better. As a councillor you could expect to put in about 5 hours a month to begin with, senior councillors might do more. If you would like to put your name forward as a candidate for this casual vacancy, please get in touch with electoral.services@powys.gov.uk, they will help you take the next steps and help you check your eligibility. If you would like to contact the current Chairperson about the role of Community Councillor please email Jane at jane_dawkins@icloud.com
