

## **Have you an hour to spare to volunteer with Llangynidr's Community Speedwatch team?**

The aim of the Community Speed Watch is to reduce the speed of motor vehicles and promote safer driving.

We are now looking to grow the team. Training for new Community Speedwatch volunteers has been arranged for

**Tuesday 6 February starting at 5.30pm at Llangynidr  
Village Hall.**

Training takes about 2 hours, the aim is to ensure volunteers can safely carry out Community Speed Watch operations using a RADAR speed detecting device. The session will cover the legislation, the Do's and Don'ts and at the end volunteers will understand the basic principles of enforcement.

To join the training completed forms need to be submitted to our GoSafe partner. For the forms please contact Sue Dale, Community Clerk. [sedale@btinternet.com](mailto:sedale@btinternet.com).
