

INVITATION TO TENDER FOR THE FLOWER BED & FOOTPATH CONTRACT (June 2025 – May 2028).

Tenders are invited for:

- ! There are two flower areas in the car park and the footpath between Waterloo House and the car park.
- ! The footpath needs to be kept clear so that it is free-flowing for pedestrians.
- ! The two flower beds, one at the back of the car park and the other protruding into the centre of the car park need to be re-thought to encourage a more diverse range of insect habitats. Possibly herbs.
- ! A biodiversity area is being established in the car park – it may need some weeding, eg brambles.
- ! There is one area – the tip of the “pointy end” which needs clearing and planting, possibly with hedging plants.
- ! All weeds and clippings to be disposed of.
